国际郑和学会会长 / 新加坡华文作家；长篇小说《丝路江心镜》作者；动画短剧《郑和奇幻旅程》出品人；电影《喜临门》制片人
President of International Zheng He Society
Author of "Legend of Mirror"

2025 年是新加坡建国六十周年，郑和下西洋首航 620 周年。我从创始会长陈达生博士接力担任国际郑和学会会长已经三年。

中国明代著名航海家郑和率领庞大船队，横跨印度洋到达东南亚、印度、阿拉伯及非洲东海岸等 30 多个国家。这是华夏文明的历史贡献，是亚洲和世界的共同遗产。勇敢开拓三十余条航线启航万邦，航程十万里跨越四大洲，是当时规模最大的海上远航相当于绕地球一圈以上。

海上丝绸之路最重要元素是沉船、古港及海量贸易品。新加坡亚洲文明博物馆的黑石号沉船如同时间胶囊，揭示了九世纪全球化贸易雏形，包括唐朝（中国）、印度、阿拔斯王朝及拜占庭帝国（东罗马）。这最早的阿拉伯沉船是 20 世纪年代最重要最久远的海洋考古发现。

处于世界发展的十字路口，新加坡早已成为东西方贸易往来的必经之地。国际郑和学会立足新加坡，链接东南亚，放眼全世界，集合众多企业家和投资人，加强智库学者合作交流，特别是在海丝建设及文化领域。国际郑和学会代表团分别在马六甲、新加坡、澳大利亚悉尼及阿曼首都马斯喀特举办国际郑和海丝论坛，影响深远。

今天研究推广郑和精神与海丝文化，具备三个显著特点：历史传承性、广泛的国际化及现实意义。历史传承过去并承载未来。郑和下西洋最重要的影响是经贸网络的开启、大批华人移民与本地社会的融合及跨文化交流，塑造了区域经济格局。

正在制作的 3D 动漫电视连续剧《郑和奇幻旅程》，郑和海丝相关影视作品及光影博物馆，《丝路江心镜》沉浸式展览。希望带动企业家与基金资源，在国际交流中绘制丰富多元画卷，推广到更多有影响力的人群。

历史帆影已经远去，但和平友谊、合作发展的丝路精神永不褪色。郑和航海跨越万里将遥远国度相连，是地理的跨越，是文化经济科技多方融合。我们学会积极开展国际交流，从云南郑和出生地到温州溯门古港，从马六甲大明官厂到印尼泗水三保公庙，从越南西贡的天妃庙到槟城土生华人博物馆，都留下共同繁荣发展的足迹。

此刻我立于玉龙雪山之下，山风送来《丝路江心镜》唐代画师江天白的彩笔沙沙，雪水裹挟郑和宝船的桅杆号角，" 丝路 " 早已超越商道，成为文明交融中永续生长的精神江流。

让我们共同书写海丝之路新篇章，为人类跨越千年的文明繁荣注入澎湃动力。

The year 2025 stands as a year of profound symbolism. It marks the 60th anniversary of Singapore's independence, and at the same time, the 620th anniversary of Admiral Zheng He's historic maiden voyage. It is with great honor that I mark my third year of service as President of the International Zheng He Society, entrusted with carrying forward this mission after the distinguished leadership of our founding President, Dr Tan Ta Sen.

In the early Ming Dynasty, the great Chinese navigator Admiral Zheng He led an immense fleet across the Indian Ocean, reaching more than 30 countries across Southeast Asia, India, Arabia, and the eastern coast of Africa. This was not only a historic contribution of Chinese civilization, but also a shared heritage of Asia and the world. With courage and vision, he pioneered over thirty maritime routes, opening connections with myriad nations. His voyages spanned more than 100,000 nautical miles—crossing four continents, a distance greater than one full circumnavigation of the globe—making

them the largest maritime expeditions of their time.

The most important elements of the Maritime Silk Road are its shipwrecks, ancient ports, and the vast array of traded goods they reveal. Among them, the Tang Shipwreck—also known as the Belitung Shipwreck—housed in Singapore's Asian Civilisations Museum, stands as a time capsule of the 9th century. It unveils the early beginnings of global trade, linking Tang China, India, the Abbasid Caliphate, and the Byzantine Empire. As the earliest known Arab trading ship, it represents one of the most significant and oldest maritime archaeological discoveries of the 20th century.

At the crossroads of global development, Singapore has long been a vital gateway for trade between East and West. It is upon this foundation that the International Zheng He Society is rooted—based in Singapore, connected with Southeast Asia, and extending its vision to the wider world. Bringing together entrepreneurs, investors, and thought leaders, the Society fosters collaboration with scholars and institutions, particularly in the fields of Maritime Silk Road development and cultural exchange. In recent years, our delegations have convened the International Zheng He Maritime Silk Road Forum in Malacca, Singapore, Sydney, and Muscat, Oman—leaving a lasting impact across continents.

In studying and promoting the spirit of Zheng He and the culture of the Maritime Silk Road today, three defining characteristics stand out: historical continuity, broad internationalism, and contemporary relevance. History is not only an inheritance from the past, but also a foundation for the future. The most significant legacy of Zheng He's voyages is reflected in the opening of vast trade networks, the migration and integration of Chinese communities with local societies, and the flourishing of cross-cultural exchange—all of which profoundly shaped the economic landscape of the region.

We are currently producing a 3D animated television series, Zheng He's Fantastic Journey, along with film and media projects related to Zheng He and the Maritime Silk Road, as well as immersive experiences such as the Light and Shadow Museum and《Legend of Mirror》on the exhibition. Through these initiatives, we aim to engage entrepreneurs and funding partners to create a rich and diverse cultural tapestry in the context of international exchange, and to share the legacy of the Maritime Silk Road with wider and more influential audiences.

The sails of history may have long vanished, yet the spirit of the Silk Road—peace, friendship, and cooperative development—remains ever vibrant. Zheng He's voyages spanned thousands of miles, connecting distant lands, bridging geography, and integrating culture, economy, and technology. The International Zheng He Society actively promotes such global exchanges. From Yunnan, the birthplace of Zheng He, to the ancient port of WenZhou; from the Malacca to the Sam Poo Kong Temple in Surabaya, Indonesia; from the Thien Hau Temple in Saigon, Vietnam, to the Penang Peranakan Museum, our footsteps mark a shared path of prosperity and cultural flourishing.

At this moment, as I stand beneath the majestic Jade Dragon Snow Mountain, the mountain winds carry the rustling brushstrokes of Tang painter Jiang Tianbai's Legend of Mirror. The snowmelt flows as if bearing the distant horns of Zheng He's treasure ships. The ‘Silk Road’ has long transcended its role as a trade route. It has become an enduring river of spirit, where civilizations meet, exchange, and flourish.

Let us write a new chapter of the Maritime Silk Road, and infuse boundless energy into the prosperity of human civilization that has spanned millennia.

洪志成先生 / ANG Chee Seng

国际郑和学会副秘书长，新加坡东南社区核心委员，曾任教育部教师学院院长。首届教育部创新奖得主，两度荣获"李显龙创新奖"殊荣。获新加坡总统颁授公共行政勋章。

Vice Secretary-General, International Zheng He Society; Southeast District Council Member and former Head of the Ministry of Education's Teachers' Network. He received the inaugural MOE Innovation Award and won the Lee Hsien Loong Innovation Award twice. He also holds the Public Administration Medal conferred by the President of Singapore.

2025 年 9 月 25 日至 27 日的三天庆典，不仅是一场节日的盛会，更是一场跨越时空、向历史与未来致敬的文明交响。

9 月 25 日的"郑和 620 周年中秋庆典晚宴"，选在富有象征意义的泛太平洋酒店举行——它的名字恰如一首隐喻的诗，呼应着当年郑和远航的浩瀚海洋与无数国家。翌日 26 号，首届"郑和海上丝路文化旅游与贸易峰会"在康莱德新加坡滨海湾酒店启幕，环境优雅而温暖，映照着我们宾朋来自五洲四海的深情厚谊与郑和航海的博大胸怀。

从外交官到企业领袖，从学者到文化伙伴，世界各地的嘉宾汇聚于此，用行动再现了郑和航程中的开放与慷慨。各场论坛探讨历史与文化，交流遗产旅游与海洋经济，商议国际贸易与合作蓝图，展现出一种跨越世纪的共识：真正长久的关系，源于理解、尊重与好奇。

回望十五世纪郑和七次远征，带去的不仅是中国的礼物与知识，更是善意与信任。他让东南亚、印度洋乃至非洲海岸的无数港口，成为交流与共赢的舞台。今天，我们的聚会，正是一条新时代的"海上丝路"。每一次握手、每一段对话，都仿佛回响着那段传奇的远航。

新加坡这座承载跨文化海洋遗产的枢纽，再次成为文明交汇的舞台。事实证明，真正的外交，往往始于一顿共享的晚餐，一场深思的对话，或是一声会心的笑语。

本次大会更以可持续与前瞻合作为主题：从尊重遗产的沿海旅游，到守护蓝色海洋的创新科技，再到惠及社群的贸易伙伴关系。9 月 27 日代表团考察柔佛—新加坡特别经济区，共同探索投资合作新机遇。

三天的盛会再次印证：历史从未停滞。郑和的精神因我们的开放、尊重、勇气与远见而延续。每一段跨越海洋与文化的有意义旅程，都始于一颗愿意欢迎与学习的心。

在此我谨代表主办委员会，向慷慨支持盛会的赞助商、远道而来的嘉宾，以及全体辛勤付出的筹委会成员致以最真挚的感谢！是你们的努力与奉献，成就了这场跨越六个世纪、联结古今中外的辉煌盛事。

620 周年的纪念不是终点，而是新的起点。学术交流、文化旅游、经贸合作与跨世代的友谊，将继续让郑和精神熠熠生辉，指引我们走向共同繁荣与更深理解。

Our three days of celebration from 25 to 27 September were a remarkable tribute to history and future possibilities.

The Zheng He 620th Gala Dinner on 25 September was held at the Pan Pacific Hotel, a world-class venue whose name evokes the wide Pacific and the lands Zheng He once visited. The next day's Inaugural Zheng He Maritime Silk Road Cultural Tourism & Trade Summit took place at the Conrad Singapore Marina Bay, a luxurious setting offering warmth and hospitality. These venues symbolized the far-flung homes of our friends and the generous spirit that defined Zheng He's great voyages.

Guests from across continents—diplomats, ambassadors, business leaders, scholars, and cultural partners—re-enacted in spirit the openness of Zheng He's journeys. Panels explored history, heritage tourism, maritime economics, and international trade, reminding us that lasting relationships grow through understanding, respect, and curiosity.

Zheng He's seven expeditions in the 15th century connected China with Southeast Asia, the Indian Ocean, and beyond, carrying gifts, knowledge, and goodwill. Our gathering became a modern "maritime silk road," with each handshake and scholarly exchange echoing those historic encounters.

Delegates travelled from many nations to Singapore—a hub embodying the maritime legacy of cross-cultural exchange. Their presence affirmed the Summit's vision of dialogue that transcends borders and showed that diplomacy often begins with shared meals, thoughtful questions, and moments of laughter.

Sustainability and forward-looking collaboration were central themes: from coastal tourism that protects heritage to technology safeguarding oceans and trade partnerships that uplift communities. On the third day, delegates visited the Johor-Singapore Special Economic Zone, exploring concrete opportunities for investment and cooperation.

These days proved that history is not static. The legacy of Zheng He thrives when we embody his values of openness, respect, courage, and vision. Our Gala and Summit demonstrated that art, commerce, scholarship, and policy can meet as equals. "Every meaningful journey—across oceans or cultures—begins with the willingness to welcome others and learn from them."

Before I close, I offer my heartfelt thanks to the generous sponsors whose steadfast support made this celebration possible, to the distinguished guests who journeyed from afar to honour us with their presence, and to my indefatigable committee members whose dedication carried every detail to fruition. This event belongs as much to you as to history itself.

The 620th commemoration is a springboard for academic exchanges, cultural projects, trade collaborations, and friendships that bridge nations and generations. May the spirit of Zheng He's great voyages continue to guide us toward shared prosperity and deeper understanding.
